

# Clermont's Vision

Clermont Elementary School honors diversity and nurtures each student's potential. We affirm individual strengths and appreciate the unique experiences each member contributes to our school community.

# Clermont's Mission

Clermont Elementary School is committed to providing high quality educational opportunities in which all students aspire to learn, acquire knowledge, and achieve excellence.

Our staff creates meaningful and engaging learning opportunities. We cultivate a love of learning that allows students to identify and pursue their individual strengths and passions.

Our students aspire to learn about themselves and their place in the world they live in.

Our staff provides instruction so that students acquire knowledge across all content areas. We cultivate a caring culture where students learn resilience, perspective, and empathy.

Our students acquire the necessary skills to help them become ethical, global citizens.

Our staff sets rigorous and achievable goals for students through responsive teaching methods. We cultivate multiple pathways for continuous growth with ongoing, meaningful support.

Our students achieve personal and academic success so they can thrive in a diverse, changing world.
